ACCRA | KIGALI

Embark on a journey that takes you on an unforgettable Asian dining experience with an African influence that stimulates all senses.

The Kōzo dining experience is elegant and sophisticated, with its food designed to share amongst friends and family over piquant conversation and exquisite drinks.

Our farm-to-table concept means we source ingredients from local farms, supporting the African Farmer while maintaining our commitment to bring only fresh ingredients to your tables.

We aim to explore new markets and build a pan African business, by forging local partnerships, prioritising sustainability, and being prepared to continuously adapt and innovate our offer.

JAPANESE NIGHTS WITH HAKUTSHURU

Founded in 1743 in the Nada district of Kobe, Hakutsuru is the #1 selling saké brand in Japan. Sake (Japanese:酒; pronounced 'sa.k1') is a Japanese word for "alcoholic drink". In English, "sake" means one kind of alcoholic drink made from rice. HAKUTSURU means 'white crane'. In Japan, the crane is one of the mystical or holy creatures (others include the dragon and the tortoise) and symbolizes good fortune and longevity because of its fabled life span of a thousand years.

Awayuki (300ml) **880**

Affectionately known as the "sparkling snow," this sake is a lightly alcoholic blend of fruity and floral notes punctuated by a cold and crisp effervescent fizz.

Nigori Yuzushu (25ml / 720ml) **100** **2400**

A coarsely filtered Yuzu liqueur made with a freshly squeezed 100% Japanese yuzu citrus. It is so naturally made that you can even find yuzu peels inside.

Sho-Une (720ml) **3850**

SHO-UNE, meaning "soaring clouds", is a supreme Japanese sake using only the finest rice "Yamada Nishiki", and Nada's famed natural spring water "Miyamizu".

Excellent Junmai (220ml / 1800ml) **550** **4000**

Our signature everyday sake is brewed using a 275 year old traditional technique. It is a full-bodied off-dry Junmai with robust flavours of toasted cereal, natural rice sweetness, and a dry finish

Plum Wine (750ml) **4000**

Plum Wine is produced from choice Japanese plums, called "ume". Crafted using a highly developed fermentation technique, the result is a refreshing, slightly tart, semi-sweet wine.
